

ABSTRACT

CECEP PRIYATNA, Primary Title ;14730097 dissertation title ;" The Effectiveness of Law Enforcement of Cross-Border Trade Crime in The West Kalimantan's Border Area (Indonesia) and Sarawak (East Malaysia)" supervised by Prof. Dr. Faisal Santiago,SH,MM, as the supervisor 1, Dr. Petrus Iwan Panjaitan,SH,MH, as supervisor 2.

The research problem of this dissertation is : 1. How effective is Law Enforcement of border trade crime in West Kalimantan's border area and Sarawak. 2. How to solve the Cross-Border Crime in the West Kalimantan's Border Area and Sarawak. 3. What is the Role of government or executive institute to strengthen the effectiveness of law enforcement of cross- border trade crime in West Kalimantan's Border Area and Sarawak(East Malaysia).

The research methodology used Juridical Normative, Empirical Juridical, Sociological Empirical and approach of law research, in law aspect of approach as a study of norm and method, in which apply and restrain the society, in which the scientific truth was being studied with data and practices of the trade activity in the location of the study.

The result of this research showed that a. the law system which applies in the trade practice in Border Area between West Kalimantan and Sarawak Malaysia in the implementation of special agreement for the border area in " Agreement between the Government of the republic of Indonesia and the government of Malaysia on border crossing bukittinggi Januari 21 th 2006 which integrated on the agreement on border between the government of the republic of Indonesia and the government of Malaysia 24 nd .In the Implementation of SosekMalindoth 1967, as an indicator to the fact of law enforcement. b. the trade system which uses Cross- Border Identity Card (KILB) of the border community facility, and the unclearness of the tollbooth status turn into a gap which make the cross border trade crime happen.c. the act of law enforcement is not appropriate with responsible for the crime.

The writer with this dissertation gives suggestion that in the border cross trade area needs regulation about the trade area status, clear up and affirm the Cross-Border Identity Card (KILB) status and usage with limit Rm.600 item from Sarawak.

Key word : Law clearly of the trade area status.
